

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Strength graded structural timber with rectangular cross section

Machine strength graded in classes \leq C35 in the machine Finscan Boardmaster Nova, serial no. 181.

placed on the market under the name or trademark of

Setra Trävaror AB

Box 3027

SE-169 03 Solna, Sweden

and produced in the manufacturing plant

Setra Trävaror Färila, Snasbäcken, SE-827 63 Färila, Sweden

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the standard

EN 14081-1:2005+A1:2011

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 2020-09-23 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Issued by notified body 0402

The validity of this certificate can be verified on our website.
